BARIUM SPRINGS, N. C., FEBRUARY - MARCH, 1947

Number 4 & 5

Mid-Piedmont Basketball Tournament Held At Barium Springs February 19th - 24th

Many things happened in February, including groundhog day. The weather sometimes cuts up and usually February is the month when the flu bug gets in his heaviest lick. In spite of all this we manage to have a big time at Barium and very little of it ever gets

Trophies that were awarded at Barium's two Basketball Tournaments held at Barium February 19th - 24th and March 18th - 24th.

to the papers.

What we are referring to in particular is the Mid-Piedmont Tournament. This tournament started 16 years ago. It is an invitational tournament in which Barium Springs plays host to the consolidated schools of the adjoining counties. It started out on a very small scale, but there were some ideas about it which seemed to make it very popular. The members of the Barium teams act as sponsors for the visiting teams. The students manage the refreshment stand, the time-keeping, the scoring, and nearly all of the activities. All of this is supervised by some grown person but the students enter into it with such enthusiasm and do their work so effectively that they have made themselves very popular with the visiting teams and made the whole tournament very popular.

The tournament started out with 32 teams being invited and this continued until the war years, then it looked like the tournament would have to stop, and we did not plan a tournament for one year, but the neighboring schools were so insistent that we did finally stage a tournament late in March for that year. Next year we went ahead at the usual date in the middle of February. Some of the regular participants dropped out during these years for lack of transportation, then when the war was over they wanted to come back. We found that 32 teams was not enough and we had to expand it. Last year it was expanded to 42 teams, this year to 50. Now eliminating 48 teams to finally arrive at the two champion teams requires a lot of games. The first day, Wednesday, February 19th, 18 games were played, starting at 11:50 a. m. The games were shortened, being ten-minute halves and were run off the first two days a game every thirty-five minutes. Sixteen games were played on Thursday, eight on Friday, four on Saturday, and the finals Monday night. The people attending the games come from all of the participating schools and they have a grand time cheering and boosting their teams along. This year there were eight Mecklenburg teams entered and the Mecklenburg teams all had their cheer leaders which added to the occasion. The teams are the best-looking teams you ever saw. There has been a trophy awarded to the girls' team that was the best-dressed and neatest in appearance, and it has become harder and harder each year to determine the winner of this trophy.

Stanley boys and Scotts girls were the champions of the tournament. The refreshment stand sell a quantity of soft drinks and sandwiches. The seventh-grade boys are the "cleaner-uppers", gathering in the bottles and cleaning up after each day's play. In cleaning up they run across many lost articles - car keys, purses, letters - these are turned in at the judges' stand and are usually there by the time the owner misses them. Many things are turned in, but this year was the first time that we ever

had a live lost article, and it was a sixteen-year old girl who announced that the party she was with had gone on home and forgotten her and here it was 10:30 on a snowy night and she had no place to go. Well, we made arrangements to get her home but she was called for before that necessity really arose. Her party finally missed her and came back after her.

This year an event happened, that ought to get into Ripley's column, and we hope everybody who owns a Chevrolet '36 model will read this article, because they might look in the trunk of their car and find the lost articles we are talking about. Here's the story. This boy was on the Thomasboro team. He came to the game with his parents. They parked the car in the parking lot and came in to watch the game. Before the game was over, however, the boy's parents went on to Statesville and another car of exactly the same model and make came and parked in the place where this car was. Well, after the game was over the boy went out and took his key which was the duplicate to the key which his parents had and proceeded to unlock the trunk of this other car, thinking it was his own, put his suit inside and his Sunday shoes, locked it up again and went back in again to watch the other teams play. Later on in the evening his parents came for him and he got in their car and went home, and then they discovered that this was not the same car in which he had put his clothes.

The coincidence of a car of the same make being in the same spot would be rare enough, but to have a lock that could be opened by the same key is just too much to believe all at one time, and yet it really happened. All you Chevrolet owners go out immediately and look in the trunk of your car and if you find this suit and shoes, please return them to this boy at Thomasboro.

We are showing elsewhere in this paper a picture of the trophies that are awarded at this tournament. There are quite a lot of them. Also in this picture are the trophies for the Junior Tournament which is staged a month later.

The profits of the tournament and the profits of the refreshment stand go to defray Barium's athletic expenses. In the first years the tournament barely broke even on expenses, the paying of the officials and the purchasing of the trophies taking most of the profits. But in recent years the attendance has been so good that the net profit of the tournament has materially helped to defray the expenses of all of our athletic teams.

The big trouble today is accommodating the people who want seats; we could easily fill a gymnasium three times as large as our basketball court which is in our grammar grade school building. We are looking forward to the day when we

Pastor's Paragraph

By Rev. F. B. Benton

I BELIEVE IN THE UNIVERSAL CHURCH.

This month we come in our study of things that we as Christians believe, to the fourth article of the Apostles' Creed. Already we have examined the first three articles, which deal with our belief in God. They have shown us God the Father as the architect of the universe and of our salvation, God the Son as the Master Builder who wrought out the work of salvation on Calvary, and God the Holy Spirit as the applier of salvation to our hearts and the presence of God with us always.

Now as we pass from our belief about God to our belief about the instrument through which God works in the world, and we say, "I believe in the holy catholic Church." Before discussing this doctrine, let us define the terms. I have found that children are often confused by the word "catholic", thinking that it refers to the Roman Catholic Church. Of course, there is no such meaning. "Catholic" is simply an adjective meaning "universal" or "world-wide". This article might better be restated today: "I believe in the universal Church."

In the Epistle to the Ephesians we find the heart of the Scriptural doctrine of the Church. There we are told (1:22, 23) that God gave Christ "to be the head over all things to the church, which is His body." From that statement we gather two useful figures which help us to understand the Church. First of all, Christ is called the head. The head, which is the seat of the brain and the will power, rules over the body, directs its activities, and controls its movements. It is His, for He is its founder. "Upon this rock I will build my church, and the gates of hell shall not prevail against it." He is also the Lord of the Church; and as such He rules and directs it, protects it from harm, and uses it to do His work on earth.

A second and complementary figure also comes from this same passage. The Church is pictured as the body of Christ. It serves as His arms and legs to do His work in the world. It is under His direction and control and performs His will. This figure which Paul uses pictures for us the Church in a way that all of us can understand. In the sense that we who are members of the Church are the chosen instruments of Christ, we can say that "Christ has no hands but our hands to do His work today . . ."

From another viewpoint we ask what the Church is, and we receive the answer from our Confession of Faith that it is all those who believe in Christ as Lord and Savior through all the ages. The Church is bigger than just our local congregation, or even than all the local congregations in the world today. It includes all believers, past, present and future. Thus when we become members of the Church, we join the vast throng of the saints of all ages. We identify ourselves with Abraham, Paul, Luther, Calvin and Wesley. We become linked to that innumerable host that is around the throne of God in heaven, and to multitudes of those yet unborn. The Church, consisting of all God's children, whom He adopts into His family through Jesus Christ, is bigger than any-

February and March Issues Combined

You readers of the Messenger may be somewhat puzzled, and you have a right to be. The February and March issues of the Messenger have been combined into one issue for this month. Here's why. The paper problem still exists and it has been quite difficult to get enough paper for all issues of the Messenger. Right now we are faced with the necessity of skipping one issue for lack of paper. The April issue is always a big one. It contains a lot of information covering the end of the Church Year, and the only issue which could be well combined with another is the one of February, so we are combining February with March. This is the first time since the Messenger started many years ago that we have failed to get out an issue each month, and we hope that this will not happen again.

We do not want to revert to newsprint, so we are hoping that by skipping this one issue we can get along all right for the rest of the year. Be patient with us and we will do the best we can.

thing else we have ever known.

It is a glorious thing to be a part of this great, true invisible Church. But membership is not just a matter of getting our names on the roll of some earthly church. It is rather a matter of an overwhelming belief in our hearts that turns our lives around and makes us like Christ.

The Church in the world has a two-fold task. The great Commission instructs us to go and make disciples of all nations. The Church's first task is to preach the gospel for the salvation of souls. It is God's rake in the field of the world for the gathering in of the harvest of those to be saved. One distinguishing mark of the true Church is the performance of this duty - the true preaching of the Word of God. Its first message is that Christ came into the world to save sinners, "for God so loved the world that He gave His only-begotten Son, that whosoever believeth on Him should not perish, but have ever-lasting life."

The second part of the Church's task is to gather together those reborn as babes in Christ, and to nourish them in order that they may grow in His likeness and strength. As the first part of the Church's mission is to the lost, so this second part is to the saved. The Church has the duty of preparing its members for their future life.

A Letter to the Alumni Association

Burlington, N. C.
Route No. 6

Dear Alumni,

At Barium Springs, Homecoming day, I was elected to that most cherished position of Secretary and Treasurer of the Memorial Fund. This fund is to be set aside to establish a memorial to the boys and girls of Barium Springs who served in the Armed Services. The nature of this memorial will be decided upon at the next Homecoming meeting of our Alumni Association.

Now, I was instructed to give each person an opportunity to contribute to this fund so that each of us will feel as though he had a part in this small way to express our deep appreciation to those who gave so much and to the memory of those who gave everything.

Won't you please send to me your most liberal contribution so that next Homecoming we may have a sizeable fund with which to establish a memorial to our gallant Brothers and Sisters.

Your Foster Brother,

D. REID BROWN.

The above is a communication from Reid Brown, a most enthusiastic member of the Alumni Association. He is very anxious to get a more complete mailing list of the alumni, and if every one of you who read this will send him your name and address it will help him lots. If you will call this to the attention of any other members of the alumni that you know, we will appreciate it.

We know that many of the alumni read The Messenger whose addresses the Alumni Secretary does not have. The alumni mailing list has been incomplete from its very beginning and you can now help put it in better shape. Give Reid a hand in this and it will make for better work all around.

By the way, while you are thinking of alumni doings it might be well to commence to make your plans for our next Homecoming Day - it will be on October 17th - not quite as early as last year but much earlier than many of our Home-comings have been. On that day Lexington will play Barium Springs in football.

Attention Treasurers

In order to have our books ready for the Auditors, that we may have our audit report ready for the Annual Meeting of the Regents of the Orphans' Home we must close our books on April 10th. Please have all funds for the Current Church year in our hands by that date.

Thank you,
R. S. ARROWOOD, Treas.

Rev. R. S. Arrowood, Treas.,
Presbyterian Orphans' Home,

(FORM OF BEQUEST)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME, THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, Incorporated under the laws of the state of North Carolina. (HERE NAME REGENT)"

MRS. S. A. GRIER

We, the members of the Auxiliary of Little Joe's Church, wish to pay loving tribute to the memory of our dear friend and co-worker, Elsie Morrison Grier, who died suddenly at sunset on November 30th 1946.

Mrs. Grier was devoted to her Church and every phase of the Auxiliary work was dear to her heart. She was ever ready to do her share and more, and accepted responsibility in the Auxiliary willingly and cheerfully. She was especially interested in Foreign Missions and inspired us all with her enthusiasm and devotion to the cause.

In the year 1925, when the "Ladies Aid Society" was organized, Mrs. Grier became the first President and did a large part in shaping the constitution to fit our local conditions. After some years she was pressed into service again as president - then Foreign Mission Secretary, and then Secretary of Spiritual Life. In recognition of her service, the Auxiliary presented her a "Life Membership". Her life was rich in service, beautiful in faith and trust - and gracious with the simplicity of true culture.

Her death, far from bringing a feeling of sadness, gives us a sense of triumphant victory. It is a fitting climax to a life of loving service that she should enter into the mansion prepared for her and hear her Savior's "well done good and faithful servant, enter thou into the joy of thy Lord".

We cherish her memory and pledge ourselves to seek to imitate her goodness, in order that we may be more like the Savior Himself.

"CROSSING THE BAR"

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.
But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.
Twilight and evening bell,
And after that the dark:
And may there be no sadness of farewell,
When I embark!
For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my pilot face to face
When I have crossed the bar.

Miss Rebekah Carpenter
Miss Sadie Brandon
Mrs. Joseph B. Johnston

Pastor's Paragraph

(Continued From Page One)

ture life in heaven. We are far from perfect when we come into the Church, but its preaching and teaching should constantly aid our development in that direction.

There are many tasks to be done on earth, but just these two are the work of the Church. All its proper functions aim at calling lost sinners to come to Christ and helping the saved to grow more like Him. Any work which cannot be comprehended under one or the other of these aims is out of line with the true purpose of the Church.

The Church in the world is a

militant Church, fighting the battle against Satan for the souls of men. Only when Christ returns and ushers His Church into heaven will it become a Church triumphant and at rest.

While we must grant the theoretical possibility of being saved without becoming a member of an earthly church, we are reminded that "the church is the means through which men are ordinarily saved." It is the natural way to Christ. And the church offers us the best environment for growth and service. There we have the companionship of other believers to strengthen us. There worship and Christian study are provided for us. And there we have the best opportunity to serve Christ our Lord.

"I believe in the universal Church." And, believing in it as it has been presented here, I cannot but throw my life into its great work of bringing in the Kingdom of God.

Mid-Piedmont

(Continued From Page One)

will have such a gymnasium and then our tournaments can really help in defraying our other expenses.

The Barium teams do not participate in this big tournament they help make it a success. In fact, everybody at Barium Springs has a hand in it. The school teachers sell tickets and that is quite a job. The Domestic Science department make sandwiches out of hams that were raised by the farm crew and cooked by the kitchen crew. A group of boys look after the parking arrangements.

The printing office gets out the programs, posters, tickets, etc. One school principal has charge of the score keeping and timing; another school principal has charge of the arrangements; others have charge of the seating of people - the ushering. Another one of the staff is one of the four officials handling the games.

There is something to be done by everybody and they have all done their work so efficiently that this tournament is one of the most popular in this section of North Carolina.

Just a month later another tournament is held - the Junior Mid-Piedmont Tournament. The girls' teams entered are from the ninth grade on down. The boys teams entered are 125-pound weight limited. There will be 32 teams entered this year and they will play double eliminations and each team winning two of their three games will get a trophy. The play will start on Tuesday, March 18th, and run through March 24th. Barium's teams participate in this and have won a good percentage of the championship trophies in the past.

Barium Springs students have an opportunity to come in contact with the students of many other schools in these tournaments. They enjoy them and it makes friends for themselves and for Barium Springs too.

REGULAR

FEBRUARY RECEIPTS
Clothing Outfits

Olney Aux. (2).

Miscellaneous Gifts

Mrs. Kate Fields Grannis, Fayetteville, clothing.
